

Are you ready to provide a wide variety of services that just 'fix it'?

Working with the guys who purchase support services from 4Eden, you will work alongside and coach this group to focus on vocational activities as part of a pathway to paid employment and supported employment. You will enable people to gain experience on the job.

What will you be coaching people to do?

- health and safety/risk assessment and working as part of team to meet contracts
- customer service and problem-solving skills
- preparing quotes, budgeting, buying supplies
- grass cutting, gardening, landscaping
- building and repair work
- painting and decorating
- equipment repair and maintenance
- general handy work
- cleaning, sorting

People will be supported to achieve in workplace training. You will support the team to create a work routine and gain skills while they build professional relationships with colleagues.

Over time you will develop and train the people we support to carry out a variety of jobs working and making things happen that benefit our local community.

Would you like to share your passion, knowledge and skills to enable others?
