

Join our Kids4Eden team to enable children to build friendships, get involved in their community, explore their interests, achieve targets, build skills and confidence - all while having fun.

At 4Eden we focus on each child's needs and goals. We offer a wide variety of support, including after school clubs, short breaks, evening/weekend supports and school holiday activities. We provide group support, 2:1 and 1:1 support to enable all children.

We support children to explore a variety of interactive activities to provide children the opportunity to have time away from their "everyday" and 'blow off a bit of steam'.

The role of the coach4independence (support worker) is to work with the Kids4Eden team to plan and enable children to participate in activities that meet the needs of the children and achieve their goals. (joining a community club, attending a community event, joining a sports team, doing exercise, cooking, crafts, gardening, learning life skills)

You will:

- Work with the Kids4eden team to plan and have implement ideas for activities
- Identify learning opportunities
- Enable the children to participate in activities, build their skills-set and increase confidence.

Over time you will develop and coach the people we support to build independence, recognise their abilities and get involved in things that benefit our local community.

Would you like to share your passion, knowledge and skills to enable others?

To learn more about this opportunity, please contact Angela at angela@4eden.co.uk or give us a call at 01768892014.
